STEADFAST IN FAITH • FORWARD IN HOPE

PARISH WORKBOOK
ST. JOHN THE BAPTIST - ST. LOUIS CITY

ABOUT YOUR PARISH WORKBOOK

- This parish workbook is designed to equip pastors and key parish leaders with data about the Archdiocese of St. Louis, your local planning area, and your parish.
- The data contained in this parish workbook has been gathered over the past twenty years from your parish and other parishes across the Archdiocese.
- This parish workbook should be used as an internal planning tool to help shape your reflections on the current strengths and opportunities for future growth of ministry and evangelization in the future.
- To help ensure accuracy of information, parishes are requested to limit the distribution of the information contained in this parish workbook to the pastor, parish staff, key parish leaders, and key advisory bodies. Information summarizing this data will be made available in the fall 2022 for parishioners across the Archdiocese.

ALL THINGS NEW PRAYER

Heavenly Father, you sent your Son Jesus as the first Evangelizer of the Good News.

Send forth the power of the Holy Spirit upon the Church of St. Louis and grant us the gift of true discernment so we may do your will in all things.

Help us be totally free to follow wherever you lead us, totally generous to be good stewards of your many gifts, and totally passionate to suffer all in order to be more closely united to you.

Commissioned by your Son and empowered by the Spirit to “Go and Make Disciples of all Nations,” strengthen us by the power of your grace as we bring the Good News of Salvation into the lives of all those we touch, so that individual hearts and all of society may be converted to you and all things might be made new.

Inspired by the apostolic zeal of previous generations, as we begin the process of planning for the future, may our only desire be to do all things for the greater glory and honor of your name and for the good of your people in the Archdiocese of St. Louis.

Through Christ our Lord.
Amen.

GUIDING TEXTS

REV. 21:3-5

I heard a loud voice from the throne saying, “Behold, God’s dwelling is with the human race. He will dwell with them and they will be his people and God himself will always be with them.

He will wipe every tear from their eyes, and there shall be no more death or mourning, wailing or pain, the old order has passed away.”

The one who sat on the throne said, “Behold, I make all things new.” Then he said, “Write these words down, for they are trustworthy and true.”

GUIDING TEXTS EVANGELII NUNTIANDI (#18)

For the Church, evangelizing means bringing the Good News into all the strata of humanity, and through its influence transforming humanity from within and making it new: "Now I am making the whole of creation new."

But there is no new humanity if there are not first of all new persons renewed by Baptism and by lives lived according to the Gospel.

GUIDING TEXTS JOY OF THE GOSPEL (#27)

I dream of a “missionary option”, that is, a missionary impulse capable of transforming everything, so that the Church’s customs, ways of doing things, times and schedules, language and structures can be suitably channeled for the evangelization of today’s world rather than for her self-preservation.

STRATEGIC PASTORAL PLANNING INITIATIVE OUTCOME

Develop a plan that will make all things new enabling a vibrant Catholic presence in every square mile of the Archdiocese of St. Louis for the next century

A Renewed Church

Gospel renewal in our parishes, schools, and other ministry efforts

A Renewed Mission

Enhance our evangelization efforts to those on the margins of society

A Vibrant Future

Secure a vibrant future for the Church of St. Louis

STRATEGIC PASTORAL PLANNING INITIATIVE

GOALS

1. **Unceasing Prayer.** Engage all individual Catholics to reflect upon the need for Jesus Christ in their daily lives and call upon the Holy Spirit to guide our actions to fully share the love of the Lord in every encounter.
2. **Unifying Vision.** Articulate and implement a vision for evangelization that empowers and expects every baptized Catholic to spread the Gospel message and ensures a Catholic presence in every square mile of the Archdiocese of St. Louis through missionary outreach, parish and school footprint, and dynamic leadership.
3. **Intentional Stewardship.** Define and develop a plan that will appropriately reallocate resources throughout the Archdiocese of St. Louis that will be supported by structures at the diocesan, parish, school, and agency levels to ensure long-term viability and vibrancy of the Catholic presence.

ALL THINGS NEW TIMELINE

STEADFAST IN FAITH • FORWARD IN HOPE

OUR DIOCESE
ARCHDIOCESE OF ST. LOUIS

ABOUT OUR DIOCESE

- The Archdiocese of St. Louis is 178 parishes encompassing the City of St. Louis and 10 surrounding counties – a large and diverse territory: urban, suburban and rural.
- Our local church has been declining for several decades as older Catholics die and there are insufficient number of young Catholics to take their place.
- This is best exemplified by the significant decline in the number of births and baptisms in our diocese.
- As our Catholic population has moved from the city to the near suburbs and from the near suburbs to the farther out suburbs, this has resulted in too few priests in large parishes and too many priests in small parishes.
- Our diocesan priests are aging and number of priests to serve our Catholic population is declining.
- Over the past decade, Mass attendance has been on a steady decline. The long-term implications of COVID are unknown, but the rebound in Mass attendance from 2020 to 2021 still leaves us 25% below pre-COVID levels.

OUR TERRITORY FOR EVANGELIZATION

OUR CATHOLIC POPULATION CONTINUES TO DECLINE

- In 2021, the number of Catholics in the Archdiocese of St. Louis dipped below 500,000 for first time since the 1960s.
- We have more baptisms than funerals and we have nearly 1,000 enter the church each year. Our numbers should be growing by 2,000 per year.
- As many as 5,000 Catholics are “leaving” the Church – OR – not re-engaging in the Church after high school or college.

OUR CATHOLIC POPULATION IS AGING RESULTING IN FEWER YOUNG PEOPLE

The Landscape in the United States

- In the last decade, the percentage of the adult population claiming no religious affiliation (the “nones”) grew from 17% to 26%.
- In the last decade, the percentage of the millennial population claiming no religious affiliation grew from 27% to 40%.

The Landscape in the Archdiocese of St. Louis

Our baptism and marriage trends reflect the national landscape, as they are half of what they were 20 years ago.

WEEKLY SUNDAY MASS ATTENDANCE CONTINUES TO DECLINE

- Prior to the COVID-19 pandemic, Mass attendance was declining between 0.5% to 1% per year.
- Mass attendance hit a record low in October 2020 which is attributed to the COVID-19 pandemic.
- While Mass attendance in October 2021 showed a significant increase from 2020, it was still 25% lower than Mass attendance in October 2019.
- In 2019, only 33% of our pews were occupied during the typical weekend Mass. By 2021, only 25% of our pews were occupied during the typical weekend Mass.

FEWER BAPTISMS HAVE RESULTED IN FEWER CHILDREN IN CATHOLIC SCHOOLS AND PSR

- Though we educate a higher percentage of children in our Catholic schools than nearly any other diocese (37%), enrollment continues to decline.
- During the last decade, PSR enrollment has declined faster than day school enrollment.
- Our current model of Catholic elementary schools cannot continue.
 - Only 40-50% of our elementary school children live in the boundaries of their parish school.
 - The cost to educate our students continues to outpace tuition increases.
 - Parish investment in our schools continues to absorb an increasing percentage of parish funds available to support other parish ministries.

OUR PRIESTS ARE AGING

- 35% of our diocesan priests (74 priests) serving in parishes are 65 years of age or older.
- These 74 priests could retire in the next 10 years.
- Though priests' retirement age is 75, the average of retirement for our diocesan priests has been 71.
- By 2026, we will have fewer diocesan priests to serve in parishes than the number of parishes we have.
- Our largest parishes will still need to be served by 2-3 priests.

* Excluding retired priests resident in parishes

OUR FINITE RESOURCES NEED TO BE REALIGNED TO ENABLE VIBRANT MINISTRY

Number of Priests *	49	46	38	27	50
Ratio of Parishioners to Priests	619	1,416	1,996	2,704	3,411

* Includes diocesan and religious order priests

OUR PLANNING AREA
PLANNING AREA #3

OUR TERRITORY FOR EVANGELIZATION

ABOUT OUR PLANNING AREA

- The planning area is in St. Louis City. The geography of this area is defined by three Interstates (64, 44 and 70), the Mississippi River and the St. Louis County border at the southern boundary.
- Located in the South City deanery. There are 17 parishes (9 territorial and 8 personal), two chapels, and one oratory. Four elementary schools are in this planning area. Currently there are 15 diocesan and 14 order priests assigned to this group.
- Clusters of parishes and church buildings are a short distance from each other.

OUR PLANNING AREA IS VERY DIVERSE AND INCREASING IN IMMIGRANT POPULATIONS

- After declining for several decades, total population in the planning area in the 2020 census was up 1% from 2010.
- The racial/ethnic profile of this area reflects a growing Hispanic population (now 7%), a stable black population (34% - which includes African immigrants), a stable white population (49% - which includes Bosnians), and a growing Asian population.
- As the population has become increasingly diverse, now only 10% of the population is registered Catholic, which is lower than the Diocesan average of 18%.
- With the number of personal parishes and chapels, a significant number of Catholics live outside the planning area.
- Median household income in the area is \$46,795 which is below the archdiocesan average of \$60,700.

OUR PLANNING AREA SACRAMENTAL TRENDS

REGISTERED HOUSEHOLDS

- Registered households in the planning area declined by 4% during the past decade, compared to a decline of 7% for the diocese.

OUR PLANNING AREA SACRAMENTAL TRENDS

MASS ATTENDANCE

- Mass attendance declined 25% during the decade, compared to a 30% decline for the archdiocese.
- Mass attendance as a percent of capacity was well below the Archdiocesan average of 35% in 2019 and 25% in 2021, reflecting in part the large churches in this planning area.

OUR PLANNING AREA SACRAMENTAL TRENDS

BAPTISMS, FUNERALS, & K-8 FORMATION

- Baptisms have tracked higher than funerals, though baptisms have declined with the impact of COVID in last two years
- The Catholics of this planning area have a strong preference for Catholic day schools over PSR.
- Catholic school enrollment has declined as 3 schools in the planning area closed during the past decade. However, Catholic children have continued to attend schools at a stable rate.

OUR PLANNING AREA CATHOLIC SCHOOL ENROLLMENT IS DECLINING

- The four elementary schools in this planning area have 906 children enrolled in Catholic elementary schools, down 19% from 5 years ago. Only one school has over 200 students.
- The Catholic schools in this area are very diverse, drawing students from a wide area, and drawing minority and non-Catholic students.
- The number of students going to Catholic elementary schools from the parishes in the planning area is 876.
- There were 246 students enrolled in PSR in 2021, down 30% from 5 years earlier. 153 of those students came from two personal parishes serving Hispanic and Vietnamese Catholics.

STEADFAST IN FAITH • FORWARD IN HOPE

OUR PARISH
ST. JOHN THE BAPTIST - ST. LOUIS CITY

ABOUT OUR PARISH

- St. John the Baptist parish, founded in 1914, was once among the five largest parishes in the diocese, Its parish school had over 1000 students and it also ran a parish high school with nearly 600 students. But neighborhoods aged and demographics changed. In the 1990s, the largest immigration of Bosnian refugees anywhere in the U.S. settled in the so-called Bevo area within St. John's parish area. Within a decade, parish membership shrunk in half. The parish high school closed in 2008 and the elementary school closed in 2014. In 2005, when the South City Deanery was restructured, two parishes closed and merged into St. John the Baptist: Holy Family and Resurrection. Resurrection parish became a Vietnamese personal parish
- The South City PSR for Catholic public school children in South City is held at St. John the Baptist parish. The parish has 600 households. The current church was dedicated in 1925 and seats 500.

ABOUT OUR PARISH

- This parish has diverse parish area with a declining white population and a growing Hispanic population who generally affiliate with St. Cecilia parish.
- This parish has an aging and declining parishioner base along with declining Mass attendance.
- Finances are stable even though offertory is declining, because parish is managing expenses.

OUR PARISH IS IN A DIVERSE AREA WITH GROWING HISPANICS AND DECLINING BOSNIANS

- The St. John the Baptist parish area has experienced fairly stable population over the past several decades.
- The population has become significantly more diverse with the white population decreasing from 92% in 1990 to 48% in 2020.
 - The parish area has one of the highest concentrations of Hispanics in the diocese at 11% - Hispanic Catholics being served by nearby St. Cecilia parish.
 - The percent black has been unchanged over the past two decades and the younger Bosnian population though still present has been migrating to St. Louis County.
- Median household income of \$38,900 is well below the Archdiocesan average of \$60,700
- Though once a very Catholic area, the percent of the resident population that is Catholic has dropped to 13%, below the Archdiocesan average of 18%

OUR PARISH DEMOGRAPHIC TRENDS

WHERE OUR PARISHIONERS & CATHOLICS LIVE

- Red dots are parishioner households; blue dots are Catholic households in the boundaries that are registered at a different parish.
- St. John the Baptist has significantly more Catholic households (974) in the boundaries than they have parishioner households (541).
- Within the parish boundaries, the parish loses 231 Hispanic households to St. Cecilia, loses 53 Vietnamese households to Resurrection (reflected by blue dots).
- In 2005, when the territories of Resurrection and Holy Family parishes were merged with St. John the Baptist, many Catholics of those two parishes chose a closer neighborhood parish. The blue dots in the northern and eastern end of the parish territory reflect that reality.

St. John the Baptist - St. Louis 2021

OUR PARISH SACRAMENTAL TRENDS

REGISTERED HOUSEHOLDS

- The parish has been experiencing a continual decline in registered households during the past decade.

OUR PARISH SACRAMENTAL TRENDS

MASS ATTENDANCE

- Mass attendance as percent of capacity is well below the archdiocesan average of 33% in 2019 and 25% in 2021.
- Pre-COVID Mass attendance as percent of registered parishioners at 18-22% was well below the archdiocesan average of 27-29%.

OUR PARISH SACRAMENTAL TRENDS

BAPTISMS, FUNERALS, & K-8 RELIGIOUS FORMATION

- This is an aging parish with more funerals than baptisms.
- The number of baptisms have been declining over the past few years.
- The closing of the parish school had a relatively small impact on the number of parishioner children in Catholic schools, because many of the students in the parish school were non-parishioners or non-Catholic.
- PSR enrollment has been fairly high and stable because the South City PSR is held at St. John the Baptist parish.

OUR PARISH FINANCIAL TRENDS

OFFERTORY CONTRIBUTIONS

- As the number of parishioners have declined, so has offertory contributions.

OUR PARISH FINANCIAL TRENDS

INVESTMENT IN CATHOLIC SCHOOLS

- After the parish school closed in 2014, the parish contributed a subsidy to parishes enrolling parishioner children for 2 years, but no longer do so.

OUR PARISH FINANCIAL TRENDS

PARISH FINANCIAL CONDITION

- After the parish school closed, parish revenue and expense declined.
- Parish revenue has matched parish expense resulting in fairly stable to somewhat growing reserves.
